

NEW SCHEDULE OF PRINCIPALS' PAY

Finally Adopted by the Board of Education.

VACATION SEVENTEEN DAYS

LONG REST GIVEN CHILDREN FOR HOLIDAY SEASON.

A new schedule of salaries, hereafter to be paid principals of high and elementary schools, was adopted at the regular meeting of the board of education last night, without debate. It was after 10 o'clock when the members of the assembly room, took their seats and were called to order by President O. W. Moyle. They had spent the two previous hours caucusing in another room. The following is the schedule presented and adopted:

That salaries of high school principals shall be determined on individual merit, but the minimum salary paid a high school principal shall not be less than the maximum salary paid an elementary school principal. A high school principal shall, however, be the holder of a Utah state high school diploma, or its equivalent.

"Each principal of an elementary school (grammar or primary) shall receive a salary of \$80, with \$4.25 additional for each teacher under his direct supervision; provided, that \$150 shall be the maximum monthly salary paid any elementary school principal; provided, further, that no principal shall receive more than \$150 unless he has supervised in this city for two or more years a corps of sixteen teachers or more. But any principal of an elementary school, who is the holder of a Utah state high school diploma, shall receive \$5 in addition to the monthly salary heretofore provided."

The following were present: President Oscar W. Moyle, L. F. Branting, Byron Cummings, A. G. Glaque, W. J. Newman, Mat Thomas and W. A. Nelson.

The absentees were J. Cheesman, Joseph Ghegan and H. P. Henderson.

Orders For Fumigating.

The committee of the whole reported a resolution instructing the storekeeper to fumigate any school building before the next session of the schools upon request of the superintendent. President Moyle criticised the resolution, saying that it would require the storekeeper to do the fumigating of one or more schools at night or very early in the morning, and would leave the room in a condition that would unfit it for the assembling of the pupils.

After several amendments the resolution was made to read that it shall be the duty of the storekeeper to fumigate a school room at any time, day or night, after being notified by the superintendent of schools.

The resolution was then adopted, all present voting except Mr. Newman.

Long Vacation For Holidays.

A resolution providing for the closing of the public schools from Dec. 23, 1904, to Jan. 3, 1905, and for paying the janitors and teachers on the first named date, was adopted. Another resolution providing for paying the teachers for Christmas and New Year's day was also adopted.

The report of Treasurer S. A. Whitney for the month of November was approved. It shows a balance of \$46,106.22 on hand at the close of November.

Report on Finances.

The principal items in the report are: Warrants issued in November \$45,572.92; Warrants outstanding Nov. 1 1,685.18; Redeemed in November \$47,257.29; Warrants redeemed in November \$45,572.92; Treasurer's overdraft Nov. 1 \$11,585.62; Warrants redeemed in November \$102,369.70; Receipts during November: City tax 150,000.00; Sale of high school books 119.50; Rent Thirteenth ward building 79.60; County tax 33,628.00; 183,887.50.

Treasurer's balance, Nov. 30, 1904 \$46,106.22.

The finance committee recommended that the clerk be directed to issue warrants aggregating \$25,485.46 to meet the teachers' pay rolls for the month ending Dec. 2. This committee also recommended the appropriation of \$5,064.42 to pay miscellaneous accounts for rent, labor and supplies. Both recommendations were adopted.

It was voted to employ the following teachers: Mrs. F. D. Bickford, salary not stated; Miss Elsie Butts, \$65 a month; Miss Frances M. Tobin, \$70 a month. Mrs. Bickford will teach French in the East Side High school.

AGITATION ALL OVER RUSSIA

People in Earnest in Their Demand for Reform.

NUMBER OF ARRESTS MADE

ST. PETERSBURG QUIET AFTER THE STORM.

Riga, Russia, Dec. 12.—Incendiary proclamations were distributed yesterday to the congresses of the churches. The

chaplains were arrested. No disturbances occurred.

Ekaterinopol, Russia, Dec. 12.—A group of workmen entered the town hall today during a session of the municipal council and attempted to address the councilors on the present condition of the country and the aims of the working classes. Much excitement followed, and the president adjourned the meeting, but the spokesmen of the group continued, his words being cheered by his comrades. A number of arrests were made.

Agitation at Moscow.

Moscow, Dec. 12.—The students assembled today in front of the residence of Professor Timiriazef and cheered him for an article, "Academic Freedom," recently published by the professor. The latter, who is an invalid, came to his window and bowed his acknowledgments. The students then marched in procession through the principal streets, singing the "Marseillaise." The police did not interfere.

The prefect of police has forbidden the police to forbid any further demonstrations of students who are not entitled to come to Moscow and instead to report such cases to him.

Quiet at St. Petersburg.

St. Petersburg, Dec. 12.—St. Petersburg has resumed its wonted quiet after the excitement of yesterday. The papers without comment print only a brief official account of the demonstration in front of the Kazan cathedral. Nevertheless they are full of articles breathing demands for reforms, the Russ especially declaring that there can be no retreat and openly advocating a parliamentary system in which the upper house shall consist of the members of the senate, council of the empire and council of ministers, and the lower house of elected representatives of the zemstvos. Proclamations have been issued calling for a demonstration outside the law courts at the opening of the trial of Sassoulet, the assassin of Minister of the Interior Von Plehve. The demonstrators have been instructed to come armed.

Stenbok Fernor, the only zemstvo president who refused to sign the reform memorial, has resigned because of the criticisms of his colleagues.

GIFT FOR PASTOR.

Parting Token Given Rev. and Mrs. W. H. Fish.

At the meeting of Unky club held last evening the members presented to Rev. W. H. Fish and Mrs. Fish a handsome French clock as a token of their esteem and friendship. The gift was presented by Eugene Lewis, who presided in the absence of the president, William C. Jennings. Mr. Fish in accepting the gift made a little speech of acknowledgment, hoping that not too many hours would be marked by the time piece before he should again meet with the club. A social hour with a light supper followed the literary programme, which included a talk on "Victor Hugo" by Mr. Fish with a reading of one of his poems by Mrs. William C. Jennings, accompanied with music by Mrs. F. J. Fabian.

Mr. and Mrs. Fish will leave in about fortnight, going directly to Boston. They have not yet settled on their permanent place of residence, but will probably be in Boston till the spring.

DEATH OF MICHAEL HENNESSY

H. C. Newton of Marysville, who has been in the city on mining business, in speaking of the lamentable death of Michael Hennessy of Bullion Creek, at Kimberley, says the southern portion of Utah loses an active worker. Mr. Hennessy was long identified with the opening up of the mining industry of this region, and it can always be said he was an active and ardent supporter of what he and acquaintances would call one of Utah's best producing sections. In Mr. Hennessy's death Pute county loses an old time miner, which will be regretted.

Recent Election in Hawaii Tainted With Fraud.

"CUPID'S" SEAT CONTESTED

FEDERAL GRAND JURY NOW IN SESSION.

Honolulu, Dec. 12.—To the federal grand jury now investigating charges of irregularity in the last election Colonel Curtis P. Iauka, a prominent home ruler, said today that it was his intention to go to Washington for the purpose of contesting the seating of Prince Jonah K. Kalaniano'le, who was re-elected delegate to congress by a majority of 2,000 over the combined vote of his opponents, on the grounds of fraud and intimidation of voters.

On Nov. 28 Presiding Judge Dole of the United States district court summoned a special session of the federal grand jury for the purpose of investigating charges that in the last campaign certain election officers intimidated the voters, made improper use of identification marks and otherwise destroyed the secrecy of the ballot.

Colonel Iauka, who will seek to have Prince Kalaniano'le unseated, is an interesting figure in Hawaiian politics. He was a Republican up to a year ago, when he became a home ruler and on the ticket of that party was elected tax assessor and collector for the county of Oahu. He is a half white. Colonel Iauka accompanied the late King Kalakaua around the world and was the official escort of Liliuokalani and Queen Kapiolani when they went to the golden jubilee of Queen Victoria, the representatives of Hawaiian monarchy. He also accompanied Sanford B. Dole, then president of the republic of Hawaii, on his trip to the United States in 1898 as his private secretary.

SUES ON ELECTION BET

A. E. Raleigh Begins Action Against S. Dunsmore, Stakeholder on a Wager.

A. E. Raleigh has commenced suit against S. Dunsmore to compel the payment of an election bet. According to the complaint on Nov. 5, Raleigh and William Clays deposited with Dunsmore \$75 each, the amount of the wager. The agreement was that the stakeholder should pay Raleigh the entire \$150 in case the latter should deposit with Dunsmore an additional sum to be determined by Raleigh provided Clays failed to deposit an equal sum of money within six hours of the time Raleigh should deposit his additional sum. At 5 o'clock on the afternoon of election day Raleigh failed to deposit the \$150, but the latter refused to give it to him. Suit is brought on two causes for action, one for \$75 and the other for \$150, both with 8 per cent interest after Nov. 5, and with costs.

SHERIFF WINS SUIT.

Judge Morse Instructs Jury to Bring in Verdict.

Acting on instructions from Judge

Morse his jury yesterday returned a verdict, without leaving the court room, in favor of Sheriff C. Frank Emery et al., in the suit brought against him by W. E. Johnson.

The case has been in the court every day this month. Frank Norris was proprietor of the old Reed hotel on West First South street. He became badly in debt to his employees and merchants, among them being T. J. Nipper and E. G. Hines. They secured a judgment against Norris and instructed Sheriff Emery to attach the hotel property. After securing a bond to indemnify himself Sheriff Emery leveled upon the property and a few months ago it was sold at public auction at low prices. Johnson claimed the sheriff had no right to levy on the furniture, as it belonged to him, and brought suit. He was a silent partner with Norris. Judge Morse has given Johnson thirty days to file a motion for a new trial, and all proceedings are stayed during that time.

New Jury Commissioner.

Judge Marshall has appointed Josiah Barnett jury commissioner of the United States court, to take the place of Governor-elect John C. Cutler. Mr. Barnett is cashier of McCormick & Co.'s bank, and treasurer of the William Rasch company and of the Wood Live Stock company.

Court Notes.

Foreclosure proceedings have been commenced by W. G. Fowler against Charles N. Dunsie and wife for two mortgages, one amounting to \$1,536.94 and the other for \$2,778.

Judge Hall yesterday awarded Althea Brown judgment against James Lowney, John Meaney and P. M. Moehan, quieting title to all of lot 10, block 1, Park Place addition, and part of lot 11, block 14, five acre plat A, big field survey.

The following Sandy residents, all three natives of Sweden, were admitted to citizenship by Judge Morse yesterday: George Oscar Ahlquist, formerly of Molmo; Charles Anderson, formerly of Uddvalla, and Albert Anderson, formerly of Westervick.

A venire has been issued for thirty-six petit jurors to serve in the United States court. The venire is returnable Jan. 3, 1905. Those now serving as jurors in the court will be discharged Dec. 23, when an adjournment will be taken until after New Year's. By that time the criminal docket will be disposed of and only civil cases will remain to be tried.

Joe Hicks, found guilty by a jury in the United States court of selling liquor to an Indian, was sentenced yesterday by Judge Marshall to serve sixty days in the county jail and pay a fine of \$50 and costs.

Robert Reynolds, the last of the trio of white men indicted by the April federal grand jury for selling intoxicating liquors to Indians who are wards of the government at the White Rock agency, is on trial in the United States court. The specific charge against him is supplying Ipawoose, a Ute, with strong drink.

ONE OF THE MOB WILL BE BROUGHT TO JUSTICE

Ouray, Colo., Dec. 12.—Holding that his injunction of last March, restraining certain citizens of Telluride, and the military, which was then in control there, from deporting union miners, was still in force, District Judge Theron Stevens today ordered the arrest of William Arnold of Telluride on a complaint sworn to by a miner in the district, alleging that Arnold had been instrumental in driving him from his home in Telluride recently. Arnold has been summoned to appear before Judge Stevens on Dec. 23 to show cause why he should not be punished for violating the injunction.

Considerable surprise has been occasioned by the action of Judge Stevens, inasmuch as his order of last spring was understood to be directed more against the military officials than individuals.
